

# COMMUNITY SHREDDING EVENT

October 22, 2011  
8:00 AM – 12:00 PM

## *Why Shred Documents?*

- Protect your confidential information.
- It's the safest way to ensure documents are completely destroyed.
- Once into confetti-sized pieces, they are recycled.

Protect yourself from identify theft by shredding confidential documents. Your old documents will be instantly shredded by a Shred-it high-speed, mobile, cross-shredder. All shredded materials are recycled to help protect the environment! 

Donations accepted to benefit the Greater Kansas City Crime Stoppers TIPS Hotline, a 501c3 non-profit organization that takes anonymous citizen tips to solve felony crimes in your community.
