

WE'RE DOING POWERFUL WORK... BUT WE CAN'T DO IT ALONE.

Since 1949, the Kansas City Metropolitan Crime Commission has worked behind the scenes to support law enforcement efforts in the Kansas City metropolitan area. We are a non-profit organization that fights for the security of the entire greater Kansas City area on both sides of the state line by operating innovative programs that help us power a safer, better Kansas City community. Here are just a few of our program's recent successes:

Our Greater Kansas City Crime Stoppers program is credited with **saving the lives of 18 students** in local schools through its Scholastic TIPS initiative. The Scholastic TIPS system is modeled after the TIPS Hotline and allows students to anonymously share information without fear of retribution. Students have utilized this resource (available in a free mobile app) to save the lives of their classmates by submitting anonymous TIPS which facilitated emergency intervention in 18 suicide attempts.

MCSP connects adjudicated individuals with established partner worksites to fulfill their court-ordered service, thus providing meaningful opportunities that have a profound impact on our community. MCSP also conducts weekly clean-ups along the streets of targeted high crime areas of the community.

SAFE is currently providing ongoing support to **28 children of first responders who lost their lives in the line of duty**. Bills, household expenses, and holidays don't stop coming when you lose a parent, but SAFE works to make things a little easier for families as they adjust to life without their loved one.

Second Chance asks former offenders to "take a chance on change" and become self-sufficient. Those who do are glad they did, as 83% of them are now successfully employed, productive members of society. Our community benefits, too, as we are all safer and **saving over 40.5 million taxpayer dollars every year** that Second Chance participants are not incarcerated.

None of this work would be possible without donor support. One of the biggest ways you can help us is by sponsoring an event. The Crime Commission and its programs host a variety of unique and exciting events throughout the year that we would love for you to be a part of. All donations to the Kansas City Metropolitan Crime Commission are fully tax-deductible, and we have something for everyone!

Crime Stoppers continues to see an increase in homicide TIPS as a result of increasing the reward to \$25,000 in KCMO, which has led to the solving of 24 total homicides, 15 in the past year alone. In the calendar year 2020, Crime Stoppers took over 4,617 TIPS resulting in 102 arrests, 149 cleared cases, and \$65,650 in anonymous cash rewards.

UPDATED DECEMBER 2021

Metropolitan Community
Service Program

For over 25 years, MCSP has worked to transform the destructive effects of crime into **constructive community aid** by allowing offenders to repay their community through service rather than costly incarceration.

- **2.8 million** hours of community service completed
- **100,000+** clients served
- **9.4 million** lbs of litter collected
- **\$56.3 million** in cost-free labor provided
- **40+** community worksite partnerships

In-person court appearances have resumed in 2021, leading to an upward trend in MCSP referrals. In the first eight months of 2021, MCSP received a total of 741 new referrals and 193 reinstated referrals. MCSP clients have completed nearly 17,000 hours of supervised community service resulting in approximately \$340,000 in cost-free labor this year.
